Who We Are ?

In Blank Space is an architecture, landscaping, terrace designing, interior designing and space planning brand under **IBS Interior Designers** firm, passionate about creativity and cutting edge design for exceptional residences, functional hospitals, luxurious & business hotel, swanky restaurant, innovative club and functional work place, but our work also extends to design interactive retail environments. We are dedicated to providing the highest level of service possible and understand the importance of working with people who are both intelligent and enjoyable. Our clients demand all of these qualities when retaining a design firm. In Blank Space is proud to say that our agenda is the same as theirs.

Promoted by qualified partners in interior designing, interior architecture, space management, project management & business management, having more than 8 years of professional experience in respective fields.

Our strength lies in our passion for creativity, bringing unique elements to both modern and traditional designs. We take pride in designing and planning environments that are new age, ergonomic and welcoming. We also do refurbishment work with new and innovative ideas.

PEOPLE

We seek out the best and brightest people to be a part of our firm. A passion for design lies in the heart of every In Blank Space member, but everyone here also understands the need to keep that passion focused on the priorities of our clients. We have assembled a team that is both knowledgeable and personable. We strive for enjoyable working relationships with our clients and try to make every project stand out.

DESIGN

The goals of each project are set at the beginning, when we review whether client priorities start with image, function, time and money. Frustrations are fewer when problems are better defined. We especially enjoy helping our clients achieve their dreams and find success in environments that are well-aligned with their users.
